RESTRICTED DATA REQUEST FORM

Please note that no datasets or data elements may be removed from the enclave, including restricted or public data, whether original data, or variables that are derived from the restricted or public data. Researchers may wish to create their public data files outside of the enclave and request that a copy be moved into the enclave.

1) Describe other non-PSID Data Files to be used in Enclave:

2) Describe plans for merging variables between Data Files:

3) Specify Data Files Requested (All data files must be described in Research Plan):

**Because of the small level of precision of Block-Group and Block Level data, researchers must provide an explicit and detailed justification for exactly how and why the research will benefit from having the these data. Your Research Plan must include the data to which the PSID Block Group or Block level data will be merged.

*** Because of the level of precision of enumeration districts, researcher must provide an explicit and detailed justification for exactly how and why the research will benefit from having access to these data. Your Research Plan must include a description of the data that you will merge to the enumeration district.
